Your partner will ask you where some places are. Can you tell him/her where they are on the map and how to get to them?

Now ask your partner where the following are:
- the bar
- the station
- the supermarket

Ask your partner where these places are on the map. You're looking for:
- the bank
- the cinema
- the post office

Now your partner will ask you where some places are. Can you tell him/her where they are on the map and how to get to them?
